

→ CLUBHOUSE COMMUNITY SUPPORT

The Vail Place Clubhouse Model centers on community, relationship building, and opportunities to help you find friendships, employment, education, housing, health and wellness, and a broader connection to the community.

We operate out of two Clubhouse locations:

Vail Uptown

1412 w. 36th St.
Minneapolis, MN 55408
612-824-8061

CONTACT:

Katie Leverenz, LSW, CPRP
kleverenz@vailplace.org
952-945-4260

Vail Hopkins

15 S. 9th Ave.
Hopkins, MN 55343
952-938-9622

CONTACT:

Samantha Sands, LSW
ssands@vailplace.org
952-945-4221

→ CASE MANAGEMENT

A Vail Place Case Manager helps you connect to programs and services you want and need to achieve recovery, health and independence. Our case managers meet with you in your home, or elsewhere in the community on a month basis, or more frequently, as needed.

CONTACT:

Kristen Faber, Case Management Program Assistant
kfaber@vailplace.org
952-945-4275
952-938-7934 Fax

→ VAIL CONNECT

Our care Navigators meets you in your home or elsewhere in the community to help you, your family or your other care providers obtain mental and/or physical health assessments, treatment, support, resources and education. Vail Connect is a mobile service intended to be short-term, typically up to three months, and is limited to people connected to North Memorial Health and affiliated clinics.

CONTACT:

Carolyn Bollinger, LGSW, Community Services Coordinator
cbollinger@vailplace.org
952-945-4244

 **VAIL CARE**

Vail Care is a comprehensive service provided by a team that includes a nurse and other staff who can assist you in securing mental health and medical services, finding social support and making community connections. Our staff works with you in your home or out in the community to create a Health Action Plan that includes coaching and support to help you meet your health goals.

952-945-4225 Triage Line

 **VAIL HOUSE**

If you are a homeless adult who lives with mental illness and chemical dependency needs, Vain House can help you with transitional housing in an environment that is safe, secure, and nurturing. We provide you with access to recovery-oriented support services that promote recovery and independent living.

 **ASSERTIVE OUTREACH**

The Vain Place Assertive Outreach program provides stabilization to those in crisis who are experiencing mental illness, chronic substance abuse disorders, and other social and health-related issues. The goal of our experienced staff, which includes a dedicated RN, is to help stabilize and engage individuals into the community while reducing health care costs.
